Notice of Annual General Meeting

Dear Shareholder,

I am pleased to be inviting you to the Company's AGM, which we are holding at the offices of our legal advisers, CMS Cameron McKenna Nabarro Olswang LLP, Cannon Place, 78 Cannon Street, London EC4N 6AF on 11 June 2019 at 10:30 a.m. We are holding our AGM later than usual this year as this allows us to engage with Shareholders in the enlarged group following the Merger and to seek the usual authorisations for the Directors to issue new or to buy back existing Ordinary Shares on the basis of the share capital as enlarged following the Merger.

We consider the AGM to be an important opportunity to meet with Shareholders, for you to raise questions and discuss the Company's performance and other important matters with the Board. A map showing the location of the venue and directions can be found on page 16. Tea and coffee will be available from 10:30 a.m. and after the meeting for Shareholders, if you wish to meet with the Directors in a less formal environment.

If you have elected to receive information from the Company in hard copy, you should have received the Annual Report 2018 already. Shareholders who have not elected to receive hard-copy documents can view or download the Annual Report 2018 from our website, www.phpgroup.co.uk/investors.

Resolutions

The formal notice of the AGM is set out on pages 10 to 12 of this document, which sets out the business to be considered at the meeting. Explanatory notes for the Resolutions are provided in Appendix 2 of this document and guidance notes for Shareholders wishing to attend or appoint proxies for the AGM on pages 13 to 15. In relation to the Resolutions to be put to the AGM, I would like to comment on just two matters.

Board composition (Resolutions 6 to 13)

As announced on 14 March 2019, following completion of the Merger, Geraldine Kennell and Nick Wiles stepped down as non-executive directors and I would like to thank them both for their valuable contribution to the Board's deliberations. On the same day, we also announced the appointment of Helen Mahy and Laure Duhot to our Board. Helen, who was chairman of MedicX, was appointed deputy chairman, senior independent director and chairman of the Remuneration Committee. Laure, who was a non-executive director on the MedicX board, was appointed a non-executive director and chairs the Adviser Engagement Committee. As both Helen and Laure and also Peter Cole, who was appointed to the Board on 1 May 2018, have been appointed since the last Annual General Meeting of the Company, in accordance with the provisions of the Articles, they will retire and, being eligible, will offer themselves for election by Shareholders. I believe we have a strong and diverse Board with an appropriate blend of skills, experience, knowledge and culture to drive the enlarged business forward. Biographical details of all the Directors seeking re-election or election are set out in Appendix 1.

Resolutions continued

Dividends (Resolutions 3 and 19)

The Company's policy is to make all of its dividend payments (currently four per annum) as interim dividends. This enables the fourth dividend payment to be made approximately two months earlier than would be the case if that dividend were categorised as a "final dividend" and therefore have to await Shareholder approval at the annual general meeting, usually held in April. This arrangement is made in the interests of Shareholders, enabling them to benefit from the earlier receipt of the fourth dividend. As we believe it is important for Shareholders to have an opportunity to consider this policy annually, and in accordance with the principles of good corporate governance, a resolution to approve the Company's dividend policy is included as Resolution 3 in the accompanying notice of meeting.

At the annual general meeting of the Company held on 5 April 2016, the Board was authorised, in accordance with the Articles, to allow Shareholders to choose whether to receive cash dividends in new Ordinary Shares rather than in cash. That authority has now expired and, as the Board has again decided to recommend a scrip dividend to Shareholders, a resolution to grant the Directors an authority to offer a scrip dividend, in accordance with the terms of the Scrip Dividend Scheme, is set out as Resolution 19 in the accompanying notice of meeting.

Actions to be taken in respect of the Annual General Meeting

We would welcome you coming to the AGM and voting in person. Whether or not you propose to attend the AGM it is important that if you would like to vote on the Resolutions but cannot come to the AGM, you complete, sign and return the enclosed Form of Proxy or vote electronically as explained below as soon as possible. The Form of Proxy, which is pre-paid, should be completed, signed and returned in accordance with the instructions printed thereon as soon as possible, but in any event so as to be received, by post or, during normal business hours only, by hand, at Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, by no later than 10:30 a.m. on Friday 7 June 2019.

Alternatively, electronic proxy appointment is available to lodge your proxy vote electronically by logging on to the website provided by Equiniti at www.sharevote.co.uk or, if you are a member of CREST, via Equiniti (ID number RA19). Equiniti must receive your proxy appointment by no later than 10:30 a.m. on Friday 7 June 2019.

The completion and return of the Form of Proxy or voting electronically will not prevent you from attending and voting at the AGM, or any adjournment of the AGM, in person, should you wish to do so.

Recommendation

The Directors consider that the Resolutions are in the best interests of the Company and are most likely to promote the success of the Company for the benefit of Shareholders as a whole. Accordingly, the Directors unanimously recommend that you vote in favour of all the Resolutions, as they intend to do so in respect of their own beneficial holdings.

On behalf of the Board, I look forward to seeing many of you at the meeting and thank you for your continued support.

Yours sincerely,

Steven Owen

Appendix 2

Explanatory notes to the Resolutions

These notes are intended to explain the business to be transacted at the Annual General Meeting. Resolutions 15 to 18 (inclusive) are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution. All other resolutions are proposed as ordinary resolutions, so that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Accounts (Resolution 1)

By company law the Directors must present to the AGM the Annual Report 2018 for adoption. The Board will welcome any questions and discussion on the Annual Report 2018 at the AGM.

Directors' remuneration report (Resolution 2)

Resolution 2 seeks Shareholders' approval for the Directors' remuneration report as contained on pages 61 to 64 of the Annual Report 2018.

This resolution is proposed as an ordinary resolution. The vote is advisory and the Directors' entitlement to remuneration is not conditional on it.

Dividend (Resolution 3)

Resolution 3 is proposed to seek Shareholders' approval of the Company's dividend policy. The Company's policy is to make all of its dividend payments (currently four per year) as interim dividends as explained in the Chairman's letter that accompanies this notice of meeting. The Board considers this policy to be in the best interests of the Company and likely to promote the success of the Company.

Re-appointment and remuneration of auditor (Resolutions 4 and 5)

Resolution 4 proposes to re-appoint Deloitte LLP as auditor of the Company to hold office from the conclusion of the AGM until the conclusion of the next general meeting of the Company at which accounts are laid.

Resolution 5 proposes to authorise the Audit Committee, for and on behalf of the Directors, to determine the remuneration of the auditor.

Re-election and election of Directors (Resolutions 6 to 13)

In accordance with the requirements of the UK Corporate Governance Code 2018, all the Directors have resolved that they will offer themselves for re-election by Shareholders at the AGM. Peter Cole, Laure Duhot and Helen Mahy were appointed to the Board since the last AGM and will retire in accordance with Article 80 of the Articles and, being eligible, will offer themselves for re-election by Shareholders at the AGM.

Separate resolutions are being proposed to re-elect or elect each of the Directors standing for re-election. Resolutions 6 to 13 are being proposed as ordinary resolutions.

Biographies and further information on all of the Directors seeking election or re-election are set out in Appendix 1 to this document and on the Company's website at www.phpgroup.co.uk/about-us/board-directors.

Following the performance evaluation of each Director, the Chairman has confirmed that each of the Directors standing for re-election or election has been and continues to be effective and continues to demonstrate commitment to their respective roles and makes available the time necessary to perform their duties.

Directors' authority to allot securities (Resolution 14)

Further to the Articles and the provisions of the 2006 Act, the Directors may only allot Ordinary Shares or grant rights over Ordinary Shares if authorised to do so by the Shareholders.

Accordingly, the authority in Resolution 14, paragraph (a) will allow the Directors to allot shares or grant rights to subscribe for, or convert any security into, shares in the Company, up to a maximum nominal amount of £47,277,783, representing approximately one-third of the Company's issued ordinary share capital calculated as at 2 May 2019 (being the latest practicable date prior to publication of this document). The authority in Resolution 14, paragraph (b) will allow the Directors, only in connection with a pre-emptive rights issue, to allot shares or grant rights to subscribe for, or convert any securities into, shares in the Company, up to a maximum nominal amount of £47,277,783 in addition to the nominal amount of any shares allotted or rights granted to subscribe for, or to convert any security into, shares under paragraph (a), together representing approximately two-thirds of the Company's issued ordinary share capital calculated as at 2 May 2019 (being the latest practicable date prior to publication of this document). This is in line with corporate governance guidelines.

This authority will expire at the conclusion of the next AGM of the Company or, if earlier, on the date which is 15 months after the date of the AGM. The Directors intend to renew this authority annually at each AGM of the Company. The Directors have no present intention of exercising this authority other than pursuant to legally binding obligations to do so, such as under the Scrip Dividend Scheme, if approved, and on conversion of the 4.25% convertible bonds issued by the Company's subsidiary PHP Finance (Jersey) Limited (the "Bonds"). However, it is considered prudent to maintain the flexibility that this authority provides.

As at 2 May 2019 (being the latest practicable date prior to the publication of this document), the Company held no Ordinary Shares in treasury and there were £400,000 nominal of Bonds outstanding which at the current exercise price would require the issue of 415,973 Ordinary Shares if all the Bonds exercised the right to convert.

Appendix 2

Explanatory notes to the Resolutions continued

Directors' authority to disapply pre-emption rights (Resolutions 15 and 16)

Under the 2006 Act, when new shares are proposed to be issued for cash, other than in connection with a company share option plan, they must first be offered to existing Shareholders pro-rata to their percentage holdings at such time, unless Shareholders have waived this right either generally or in respect of a particular issue. The Directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities without making a pre-emptive offer to existing Shareholders. The purpose of Resolutions 15 and 16 therefore is to enable Shareholders to waive their pre-emption rights and allow the Directors to allot shares for cash without such shares being first offered to existing Shareholders.

Resolution 15 will, if passed by special resolution, give the Directors authority to allot shares pursuant to the authority granted in Resolution 14 for cash on a non-pre-emptive basis. This authority will permit the Directors to allot shares for cash: (a) in connection with a rights issue or any other pre-emptive offer concerning equity securities, or (b) otherwise than in connection with a rights issue or any other pre-emptive offer for shares in the Company up to a maximum nominal value of £7,091,667, representing approximately 5% of the Company's issued ordinary share capital as at 2 May 2019 (being the latest practicable date prior to the publication of this document).

For the purposes of Resolution 15, the nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any securities into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.

Resolution 16 additionally authorises the Directors to allot new shares (or sell treasury shares) for cash, without the shares being offered first to existing Shareholders, in connection with the financing (or refinancing, if the authority is to be used within six months after the original transaction) of an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment. The authority under Resolution 16 is limited to a nominal value of £7,091,667, representing approximately 5% of the Company's issued ordinary share capital as at 2 May 2019 (being the latest practicable date prior to the publication of this document).

The Board intends to adhere to the provisions in the Pre-Emption Group's Statement of Principles, as updated in March 2015, and not to allot shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 16 either in excess of an amount equal to 5% of the total issued ordinary share capital of the Company (excluding treasury shares) or in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three-year

period, without prior consultation with Shareholders. Adherence to the principles would not preclude issuances under the authority sought under Resolution 16. The provisions of Resolutions 15 and 16 comply with the Share Capital Management Guidelines issued by the Investment Association in July 2016 and the disapplication of pre-emption rights resolutions follow the resolution templates issued by the Pre-Emption Group in May 2016.

The power conferred by Resolutions 15 and 16 will expire at the conclusion of the next AGM of the Company or, if earlier, on the date which is 15 months after the date of the AGM. The Directors intend to renew this authority annually at each annual general meeting of the Company. The Directors have no immediate plans to make use of this authority, other than in connection with the issue of Ordinary Shares under the Scrip Dividend Scheme, if approved.

As at 2 May 2019 (being the latest practicable date prior to the publication of this document), the Company did not hold any treasury shares. If the Company were to create treasury shares, for example through the market purchase of its own shares, the subsequent sale of any treasury shares would be counted as equivalent to the issue of new shares for the purpose of the limitations on the issue of new shares included in Resolutions 15 and 16.

Notice of general meetings, other than annual general meetings (Resolution 17)

Resolution 17 will, if passed, allow the Company to hold general meetings (other than annual general meetings) on 14 clear days' notice. Under the 2006 Act, the minimum notice period for publicly listed company general meetings is 21 clear days, but with an ability for companies to reduce this period to 14 clear days (other than for annual general meetings) provided that certain conditions are met.

The first condition is that the Company offers a facility for members to vote by electronic means. This condition is met if the Company offers a facility allowing members to appoint a proxy by means of a website. The Company provides this facility (please refer to note 4(c) to the notice of AGM on page 13 of this document for details of the Company's arrangements for electronic proxy appointment). The other condition is that there is an annual resolution of Shareholders approving the reduction of the minimum notice period from 21 clear days to 14 clear days.

The Board is proposing Resolution 17 as a special resolution to approve 14 clear days as the minimum period of notice to be given for all general meetings of the Company other than annual general meetings. The approval will be effective until the conclusion of the next annual general meeting of the Company. The shorter notice period will be used in accordance with all relevant corporate governance guidelines applicable at the time. In particular, it will only be used where flexibility is merited by the business of the meeting and is thought to be to the advantage of Shareholders as a whole.

Purchase of own shares (Resolution 18)

Resolution 18 seeks authority for the Company to make market purchases of its own Ordinary Shares and is proposed as a special resolution. If passed, the resolution gives authority for the Company to purchase up to 113,466,678 of its Ordinary Shares, representing approximately 10% of the Company's issued ordinary share capital as at 2 May 2019 (being the latest practicable date prior to the publication of this document).

The Directors have no present intention of exercising the authority granted by Resolution 18. Ordinary Shares will only be purchased if the Directors consider such purchases to be in the best interests of Shareholders generally and that the purchase can be expected to result in an increase in earnings per Ordinary Share. In addition, the authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels for the Company and its overall financial position.

The Resolution specifies the minimum and maximum prices which may be paid for any Ordinary Shares purchased under this authority. The authority will expire on the date of the Company's 2020 annual general meeting.

The Company may either cancel any Ordinary Shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them). No dividends are paid on shares in treasury and no voting rights attach to treasury shares. If the Ordinary Shares that the Company buys back under this authority are held in treasury, this would give the Company the ability to reissue treasury shares quickly and cost effectively, providing the Company with additional flexibility in the management of its capital.

As at 2 May 2019 (being the latest practicable date prior to the publication of this document), there are no warrants or options to subscribe for Ordinary Shares that are outstanding.

Scrip Dividend Scheme (Resolution 19)

The authority for the Directors to offer any Shareholders the right to elect to receive Ordinary Shares, credited as fully paid, instead of cash in respect of the whole (or some part, to be determined by the Directors) of any dividend paid, otherwise known as a scrip dividend alternative, was last approved at the 2016 annual general meeting. In accordance with the Investment Association guidelines, the Board intends to seek fresh authorisation to offer a scrip dividend alternative for a further three years expiring at the conclusion of the annual general meeting in 2022.

It is the Directors' intention to offer a scrip dividend alternative in respect of the two remaining interim dividends that are anticipated to be paid in 2019. Resolution 19 grants the Directors the necessary authority to offer a scrip dividend alternative in respect of these interim dividends or any future dividends declared, made or paid in the period ending at the conclusion of the third annual general meeting of the Company following the date of this resolution. Full details of the Scrip Dividend Scheme can be found on the Company's website at www.phpgroup.co.uk/investors/dividends and should be reviewed with this notice.

Political donations and expenditure (Resolution 20)

Part 14 of the 2006 Act, amongst other things, prohibits political donations made by a company and its subsidiaries to EU political parties, to other EU political organisations, to an independent election candidate in the EU or political expenditure incurred by a company of more than £5,000 in any twelve-month period, unless they have been authorised to make donations by the company's shareholders.

It is the policy of the Company not to make donations to political parties, other political organisations or independent election candidates and the Directors have no intention of changing that policy.

However, as a result of the wide definition of political organisations under Part 14 of the 2006 Act, normal expenditure (such as expenditure on organisations concerned with matters of public policy, law reform and representation of the business community) and business activities (such as communicating with the Government and political parties at local, national and European level) might be construed as political expenditure or as a donation to a political party or other political organisation and therefore fall within the restrictions of the 2006 Act.

In order to avoid an inadvertent infringement of the 2006 Act, Resolution 20 will allow the Company and its subsidiaries to make donations to political parties, other political organisations and independent election candidates and to incur political expenditure (as defined in the 2006 Act) up to an aggregate limit of £20,000 in the period beginning with the date of the passing of Resolution 20 and ending with the conclusion of the next annual general meeting of the Company whilst avoiding, because of the uncertainty over the definitions used in the 2006 Act, inadvertent infringement of the 2006 Act. Any political donation made or political expenditure incurred which is in excess of £200 will be disclosed in the Company's annual report and accounts for next year, as required by the 2006 Act. Resolution 20 will not be used to make political donations within the normal meaning of that expression.

 - (a) to exercise all the powers of the Company to allot shares and to make offers or agreements to allot shares in the Company or grant rights to subscribe for or to convert any security into shares in the Company (together "Relevant Securities") up to an aggregate nominal amount of £47,277,783; and
 - (b) to exercise all the powers of the Company to allot equity securities (within the meaning of section 560 of the 2006 Act) up to an additional aggregate nominal amount of £47,277,783 provided that this authority may only be used in connection with a rights issue in favour of holders of ordinary shares of 12.5 pence each in the capital of the Company and other persons entitled to participate therein, where the equity securities respectively attributable to the interests of all those persons at such record dates as the Directors may determine are proportionate (as nearly as may be) to the respective numbers of equity securities held or deemed to be held by them or are otherwise allotted in accordance with the rights attaching to such equity securities, subject to such exclusions or other arrangements as the Directors may consider necessary or expedient to deal with fractional entitlements or legal difficulties under the laws of any territory or the requirements of a regulatory body or stock exchange by virtue of shares being represented by depositary receipts or any other matter whatsoever, provided that the authorities in paragraphs (a) and (b) above shall expire at the conclusion of the next annual general meeting of the Company after the passing of this Resolution or if earlier on the date which is 15 months after the date of the Annual General Meeting, but in each case, prior to its expiry, the Company may make offers and enter into agreements, which would, or might, require Relevant Securities or equity securities as the case may be to be allotted (and treasury shares to be sold) after the authority expires and the Directors may allot Relevant Securities or equity securities (and call treasury shares) in pursuance of any such offer or agreement as if the authority in question had not expired.

16. That subject to the passing of Resolution 14, the Directors be authorised in addition to any authority granted under Resolution 15 to allot equity securities (as defined in section 560 of the 2006 Act) for cash under the authority given by Resolution 14 and/or to sell Ordinary Shares held by the Company as treasury shares for cash as if section 561 of the 2006 Act did not apply to any such allotment or sale, provided that this power shall be:

(a) limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of £7,091,667; and

(b) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

such authority to expire at the conclusion of the next annual general meeting of the Company after the passing of this Resolution (or, if earlier, on the date which is 15 months after the date of the Annual General Meeting) but, in each case, prior to its expiry, the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Directors may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority in question had not expired.

17. That the Company is authorised to call any general meeting of the Company other than an annual general meeting on not less than 14 clear days' notice during the period beginning on the date of the passing of this resolution and ending on the conclusion of the next annual general meeting of the Company.

(a) the maximum aggregate number of Ordinary Shares that may be purchased is 113,466,678 (representing approximately 10% of the issued ordinary share capital of the Company as at the date of this document);

(b) the minimum price (excluding expenses payable by the Company) which may be paid for each Ordinary Share is 12.5 pence;

(c) the maximum price (excluding expenses payable by the Company) which may be paid for each Ordinary Share is the higher of: i) an amount equal to 105% of the average of the middle market quotations for an Ordinary Share, as derived from the London Stock Exchange Daily Official List, for the five business days immediately prior to the day the purchase is made; and ii) an amount equal to the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share as derived from the London Stock Exchange Trading System; and

(d) this authority shall expire at the conclusion of the Company's next annual general meeting, save that the Company may, before the expiry of this authority, enter into a contract to purchase Ordinary Shares which will or may be executed wholly or partly after the expiry of such authority, and may make a purchase of Ordinary Shares in pursuance of any such contract.

Notice of Annual General Meeting continued

19. That, subject to the passing of Resolution 14, the Directors be and are hereby generally and unconditionally authorised to exercise the power conferred on them by Article 135 of the Articles to offer holders of ordinary shares of 12.5 pence each in the capital of the Company ("Ordinary Shares"), the right to elect to receive Ordinary Shares, credited as fully paid, instead of cash in respect of the whole (or some part, to be determined by the Directors) of dividends declared, made or paid during the period starting with the date of this Resolution and ending at the conclusion of the third annual general meeting of the Company following the date of this Resolution and shall be permitted to do all acts and things required or permitted to be done in accordance with the Articles in connection therewith.

- during the period beginning with the date of the passing of this Resolution 20 and ending with the conclusion of the next annual general meeting of the Company (or, if earlier, on the date which is 15 months after the date of the annual general meeting), provided that the maximum amounts referred to in (a), (b) and (c) may comprise one or more sums in different currencies which shall be converted at such rate as the Board of Directors may in its absolute discretion determine to be appropriate.

Important notes regarding your general right to appoint a proxy and voting can be found on pages 13 to 15 of this notice of Annual General Meeting.

Guidance notes for the meeting and on appointment of proxies

1. **General:** a copy of this notice of Annual General Meeting and other information regarding the Annual General Meeting, required by section 311A of the 2006 Act (including a copy of the Annual Report 2018 posted on 14 February 2019) is available from the Company's website at www.phpgroup.co.uk. Shareholders who have not elected to receive these documents in printed form may obtain copies by writing to the Company Secretary at the Company's registered office. Shareholders who wish to receive the printed annual report and accounts for future years should write to the Company's registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing BN99 6DA.

2. **Entitlement to vote:** under the Articles the holders of Ordinary Shares are entitled to attend the Annual General Meeting and to speak and vote at the Annual General Meeting. Duly appointed proxies are entitled also to attend, speak and vote at the Annual General Meeting.

Only those holders of Ordinary Shares registered in the register of members of the Company as at 6:30 p.m. on Friday 7 June 2019 (or, if the Annual General Meeting is adjourned, 6:30 p.m. on the day that is two days prior to any adjourned meeting) (excluding any part of any day that is not a working day) shall be entitled to attend (either in person or by proxy) and vote at the Annual General Meeting, or any adjourned meeting, in respect of the number of shares registered in their names at that time. Any changes to the register of members after the relevant deadline shall be disregarded in determining the right of any person to attend and vote at the Annual General Meeting or an adjourned meeting.

3. **Entitlement to appoint proxies:** Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the Annual General Meeting. A Shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that Shareholder. If a proxy is submitted without indicating how the proxy should vote on any resolution, the proxy will exercise his or her discretion as to whether and, if so, how to vote. To appoint more than one proxy you may photocopy the Form of Proxy. A proxy need not be a Shareholder of the Company.

The Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this notice of Annual General Meeting. If you do not have a Form of Proxy and believe that you should have one, or if you require additional forms, please contact Equiniti Limited, Aspect House, Spencer Road, Lancing BN99 6DA.

The return of a completed Form of Proxy, or other such instrument or any CREST Proxy Instruction (as described in Note 5 below) will not prevent a Shareholder attending the Annual General Meeting and voting in person if he/she wishes to do so.

In the case of joint Shareholders, the signature of only one of the joint holders is required on the Form of Proxy but the vote of the first named on the register of members will be accepted to the exclusion of the other joint holders.

4. **Validity of proxies:** to be valid a Form of Proxy or other instrument appointing a proxy must be received by one of the following methods:

- (a) by posting the reply-paid proxy or otherwise by post (in which case postage will be payable) or (during normal business hours only) by hand at Equiniti Limited, Aspect House, Spencer Road, Lancing BN99 6DA;
- (b) in the case of CREST members, by utilising the CREST electronic proxy appointment services in accordance with the procedures set out in Note 5 below; or
- (c) as an alternative to completing and returning the printed Form of Proxy, you may submit your proxy electronically by accessing the Sharevote website provided by Equiniti Limited. Shareholders may submit an electronic proxy online, using the reference numbers printed on the Form of Proxy, at www.sharevote.co.uk, where details of the voting procedures are shown.

IMPORTANT: in any case, the Form of Proxy must be received by or lodged with the Company's registrars no later than 10:30 a.m. on Friday 7 June 2019 (or, if the Annual General Meeting is adjourned, not later than 48 hours before the time fixed for the adjourned meeting) excluding any part of any day that is not a working day.

Guidance notes for the meeting and on appointment of proxies continued

5. **CREST proxy appointment:** CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID number RA19) not later than 10:30 a.m. on Friday 7 June 2019 (or, if the Annual General Meeting is adjourned, not later than 48 hours before the time fixed for the adjourned meeting) (excluding any part of any day that is not a working day). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors, or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the CREST Regulations.

6. **Corporate representatives:** any corporation which is a member may by resolution of its Directors or other governing body authorise one or more person(s) to act as its representative who may exercise, on its behalf, all its powers as a member, provided that they do not do so in relation to the same shares. A certified copy of any such resolution must be deposited at the registered office of the Company not less than 48 hours before the time appointed for the Annual General Meeting to be valid (excluding any part of any day that is not a working day).
7. **Nominated persons:** any person to whom this document is sent who is a person nominated under section 146 of the 2006 Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the Shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Shareholder as to the exercise of voting rights.

The statement of the rights of Shareholders in relation to the appointment of proxies at Notes 2, 3, 4, and 5 above does not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by Shareholders of the Company. If you have been nominated to receive general Shareholder communications directly from the Company, it is important to remember that your main contact in terms of your investment remains the registered Shareholder or custodian or broker who administers the investment on your behalf. Therefore, any changes or queries relating to your personal details and holding (including any administration) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee to deal with matters that are directed to them in error. The only exception to this is where the Company, in exercising one of its powers under the 2006 Act, writes to you directly for a response.

8. **Electronic communication:** please note that the Company takes all reasonable precautions to ensure no viruses are present in any electronic communication it sends out but the Company cannot accept responsibility for loss or damage arising from the opening or use of any email or attachments from the Company and recommends that the Shareholders subject all messages to virus checking procedures prior to use. Any electronic communication received by the Company, including the lodgement of an electronic Form of Proxy, that is found to contain any virus, will not be accepted.

9. **Voting and voting rights:** as at 5:30 p.m. on 2 May 2019 (being the latest business day prior to the publication of this document), the Company's issued share capital consisted of 1,134,666,784 Ordinary Shares, carrying one vote each. Therefore, the total number of voting rights in the Company as at 5:30 p.m. on 2 May 2019 was 1,134,666,784. The website referred to in Note 1 will include information on the number of Ordinary Shares and voting rights.

Voting on the Resolutions will be conducted by way of a poll rather than on a show of hands as this is considered by the Board to reflect the views of Shareholders more accurately. As soon as practicable, following the Annual General Meeting the results of voting at the Annual General Meeting and the numbers of proxy votes cast for and against and the number of votes actively withheld in respect of each resolution will be announced via a Regulatory Information Service and also placed on the Company's website referred to in Note 1 above.

10. **Right to ask questions:** any Shareholder attending the Annual General Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Annual General Meeting but no such answer need be given if:

- to do so would interfere unduly with the preparation for the Annual General Meeting or involve the disclosure of confidential information; or
- the answer has already been given on a website in the form of an answer to a question; or
- it is undesirable in the interests of the Company or the good order of the Annual General Meeting that the question be answered.

11. **Audit concerns:** under section 527 of the 2006 Act a Shareholder or Shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the 2006 Act. The Company cannot require the Shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement on a website under section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the 2006 Act to publish on a website.

The request may be in hard copy form or in electronic form stating your: (i) name and address and in the case of an electronic communication stating Annual General Meeting in the subject line of the email either setting out the statement in full or, if supporting a statement sent by another Shareholder, clearly identifying the statement which is being supported; (ii) must be authenticated by the person or persons making it; and (iii) be received by the Company at least one week before the Annual General Meeting.

12. **Communication with the Company:** you may not use any electronic address provided either in this notice of Annual General Meeting or any related documents (including the Form of Proxy accompanying this document) to communicate with the Company for any purposes other than those expressly stated. All communication with the Company in relation to the Annual General Meeting should be by writing to Equiniti Limited, Aspect House, Spencer Road, Lancing BN99 6DA or to the Company Secretary at the registered office of the Company set out at the foot of the notice of Annual General Meeting.

13. **Inspection of documents:** copies of the letters of appointment of the Directors are available for inspection at the registered office of the Company during normal business hours on each weekday (public holidays excepted) from the date of this document until the time of the AGM and at the place of the AGM (the offices of CMS Cameron McKenna Nabarro Olswang LLP, Cannon Place, 78 Cannon Street, London EC4N 6AF) for at least 15 minutes before the start of the AGM until its conclusion.
