- vi. we are not aware of any matter in relation to our valuation of the Properties which we consider is required to be drawn to the attention of: (i) the Addressees in the context of the requirement for the Prospectus to contain all information necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Company; or (ii) Numis in the context of the sponsor declaration which Numis is required to make to the UKLA pursuant to Listing Rule 8.4.9R.

Furthermore, we consent to the valuations, the Summary Valuation Report or extracts of the Summary Valuation Report (and references thereto) being included in various marketing documents prepared by you in connection with the Merger provided that we are given reasonable notice to approve the form and context in which our valuation or the relevant Summary Valuation Report appears and provided that such marketing documents make it clear that we accept responsibility for the valuation and/or the Summary Valuation Report alone and not for any other part of such marketing documents.
